Frequently Asked Questions

1. How do I raise a billing dispute or billing inquiry?

Email Lumen using the following address: emeabilling@colt.net or call +44 800 528 0028. Ensure that you have your Billing Account Number available and, if applicable, invoice number and/or Service ID(s). Your case will then be reviewed by a member of the Billing Customer Care Team, who will aim to respond to you within 48 hours.

2. When is my invoice available in the Control Center customer portal?

You can view your invoice in Control Center approximately 3 to 5 days after your Invoice Date. Your Invoice Date is shown on the top right corner of your invoice.

3. Where do I send remittances to?

When payment has been made please send remittances to remittances@colt.net to ensure your payment is allocated correctly & swiftly to your account.

4. Have a query regarding payment?

If you have a payment query please call +44 800 528 0028. Please ensure you have your Billing Account Number available and, if applicable, invoice number.

5. What is a prorate?

Some products and services are billed one month in advance. If you sign up for one of these services in the middle of your billing period, your charges for that time will be less than a full month's charge. This partial month charge is called a prorate.

6. How does contract renewal work?

If you do not want our services to auto renew at the end of the Service Term, you must request a disconnection of your services as per section 6.1 below.

6.1 How do I submit a disconnect request?

Customer initiated disconnect requests can be submitted through the Control Center at <https://controlcenter.colt.net/login>. Not a current portal user? Visit <https://controlcenter.colt.net/login> for more information on how to register. For any questions related to the Control Center, email control.center@colt.net or call +44 800 496 5000.

The service(s) you request to be disconnected will have an estimated Bill Stop Date of 30 days from the received date of the request unless the requested date is greater than 30 days from the received date or your contract states otherwise. Any subsequent requests for assistance or questions can be emailed directly to EMEA.Disconnects@colt.net.

7. What is the Control Center?

The Control Center provides you with convenient and secure billing options. You can:

- View, download and analyse your Lumen invoices
- Submit and manage billing inquiries, disputes and requests
- Create standard and custom reports

Not a current Portal user?

Visit <https://controlcenter.colt.net/login> for more information on how to register. For any questions related to the Control Center, email control.center@colt.net or call +44 800 496 5000.

Welcome to Colt

On 1st November 2023, Lumen completed the sale of its business in Europe to Colt Technology Services. You will now see a Colt logo on your invoices, and although it may look different, please be assured that your in-term services, support and terms and conditions remain the same.

Please continue to remit your payment to the company listed on your invoice, and send remittances to remittances@colt.net

Important Notice: Annual Rate Review for Out of Term Services

If your services are out-of-term it is likely that you will incur a rate increase. Your services may be eligible for renewal. If you are interested in renewing your services, please contact your account representative to talk through your options.

If you are not able to renew your services, please be aware that we will implement a 12.44% rate increase to recurring charges for services that are on month-to-month terms. If your services are or will shortly be out-of-term, they will be subject to this rate increase. This will be effective no sooner than thirty days after the date of this notice, and if your services are still in their original term, the rate increase will be effective on your first invoice following the end of your service term.

We continue to focus on providing communications services and solutions that enable your business to thrive. We are committed to on-going investments in our network, products and services to ensure that we are innovating to meet the digital needs of our customers.

We thank you for your support and continued business.
